

## MAGOON'S DEFENSE

L. H. DEE CONTRADICTS THE TESTIMONY OF FRANK HUSTACE IN SOME IMPORTANT PARTICULARS AND ALSO DIFFERS FROM A. G. M. ROBERTSON—WHY HUSTACE PAID MAGOON A \$150 RETAINER FEE.

L. H. Dee was on the stand in the Supreme Court this afternoon as the first witness for the defense in the Magoon disbarment matter. He testified to the conversations in which himself, Magoon and Hustace discussed whether there was a way to make Egan and Foster pay the balance of the Kamalo judgment. Hustace having paid his proportion. Magoon said he thought there was a way for Hustace to avoid further payment, said Dee. Dee said he himself suggested that if anything was to be done Hustace ought to pay the cost, as it would bene-

## SAM JOHNSON IN THE FIGHT

THE STORY THAT HE IS HOLDING ALOOF IS DENIED BY POLITICIANS.

Supporters of Brown in the Shrivley fight declare that the report of Sam Johnson's holding aloof is all a fiction, and that the genial Sam is in the fight for all he is worth. Johnson is said to be helping Crabbe, in spite of denials that he is a Crabbe supporter. It is certain that Sam is not at all losing track of any political tricks which are being done and that he is a good deal in the confidence of the Crabbe men. The story of a unanimous caucus in the Fourth Precinct of the Fourth District, in favor of Crabbe, is also denied. It was stated this morning that some of the delegates were not in the caucus and declare that they are not bound by it.

A large number of the delegates to the convention have refused to pledge themselves at all, though a majority have intimated in some way their intentions. Some are holding aloof, to decide when the convention meets and in spite of claims by each side of enough votes to settle the contest, it is not thought that there have been sufficient definite pledges either way.

## CANDIDO WILL BE HANGED ON FRIDAY

PORTO RICAN MURDERER WILL EXPIATE HIS CRIME THIS WEEK COMMITTED MURDER ON KAUALA.

There will be an execution at the Oahu Prison Friday morning. The murderer is a Porto Rican named Candido Sato. The murder was committed on Kauai a number of months ago. The Porto Rican got into a quarrel with another Porto Rican and stabbed him to death. The murderer was sentenced by Judge Hardy at Lihue on April 8.

The execution will be the first that Temple Burke, the new warden of Oahu Prison, will have to perform. High Sheriff Henry will, however, be present and see that everything is carried into effect without a hitch. The hour set for the execution is 11 o'clock.

## POLICE QUESTION INSANITY OF KU-I

THOUGHT POSSIBLE THAT HE IS SHAMMING TO ESCAPE PROSECUTION FOR BRUTAL CRIME.

The police and physicians are taking particular pains to determine whether Ku-i is demented or is merely feigning insanity. Ku-i is alleged by the police to have committed a brutal assault upon a young woman and when the police were notified of his crime to have begun to act crazy. He is said by natives to have been in the insane asylum a number of years ago. In case the physicians decide that the man is insane he will be committed to the asylum, but if they decide that he is shamming a prosecution of him will follow. The doctors and police are carefully inquiring into his past life and antecedents with a view of ascertaining whether there were any symptoms which would indicate insanity.

## PROBABLE NOMINATIONS

Democrats and Home Rulers	Republicans
Supervisor at Large..... Frank Harvey	H. E. Cooper
Supervisor for Honolulu..... W. A. Kinney	Louis Marks
Supervisor for Honolulu..... E. A. McInerney	Jim Quinn
Supervisor for Honolulu..... John Wise	A. Hocking
Sheriff..... C. P. Laukea	A. M. Brown
District Attorney..... C. W. Ashford	G. A. Davis
Treasurer..... J. O. Carter	C. W. Booth
Auditor..... R. H. Trent	N. Fernandez
Clerk..... J. Edinger	D. Kalaupokalani

The foregoing forecast of nominations for County officers will make some Republicans open their eyes and wonder if their party is to allow the Democrats aided by the Home Rulers, to put up a ticket that few conservative men could afford to turn down. By comparison the Democrats have the best ticket. Any sane man will admit the fact. The Republican convention will have to do some weeding, unless the party wishes to invite disaster. The responsible element among Republicans will not tolerate a poor ticket—one that may include any grafters. Prominent business men have told politicians that a "Citizens' Party" will be started to defeat any poor Republican ticket. And this idea seems to be growing. The Fourth District delegates in some instances, are trying to get the best timber possibly, but the desired men are not anxious to run. Efforts will be made to secure such responsible citizens as Fred J. Lowrey, F. W. Macfarlane, Charles Hustace Jr., and Hugh H. Walker and others. The Democrats have switched John Wise for Supervisor in favor of Curtis Laukea for Sheriff. If Laukea cannot go to Congress, then he will be satisfied to be sheriff and unravel the mysteries of the "662 grains" variety.

## MAGOON AND HUSTACE

LIVELY EXCHANGES OF COMPLIMENTS IN THE SUPREME COURT THIS MORNING BETWEEN THE ATTORNEY AND WITNESS—HUSTACE TELLS THE LAWYER HIS REPUTATION FOR PUTTING UP JOBS WAS BAD.

Attorney Magoon resumed his cross-examination of Frank Hustace this morning in the Supreme Court in the hearing of Magoon's disbarment case. He began a lively interchange by asking Hustace why he did not come to Magoon and ask for the \$150 fee he had paid to be returned to him, when Hustace finally decided not to follow Magoon's alleged advice and transfer his property. "I thought you would let the matter rest and be satisfied with the \$150" said Hustace. "Satisfied, how?" "Why, that you would do what you did, and let matters rest for a while." "You thought I was simply fleeing you, is that it?" "I did not then but have come to that conclusion since." Magoon inquired again if what he

## First Steps In Improvement Of Harbor Started

ARMY ENGINEER IN CHARGE OF DREDGING OF HONOLULU HARBOR BEGAN SURVEY WORK TO DAY—BIDS WILL BE OPENED NOT LATER THAN JULY 20 AND POSSIBLY JULY 1—ORDERS TO ADVERTISE FOR THEM EXPECTED—\$400,000 AVAILABLE.

Lieutenant Slattery, the army engineering officer who has charge of the harbor improvements at Honolulu, started the surveys of the harbor to-

day. The instrument work will be in progress within two days and the work will then be prosecuted as rapidly as possible until its completion. About two months will be required in which to complete the survey of the harbor. While the surveys are to be made preparatory to the actual commencement of the work of improving the local harbor, the preliminary work of advertising for the bids will not be delayed by reason of the survey that may be in progress. Lieutenant Slattery expects to receive at any time orders to advertise for the bids. The copies of specifications will be sent to him probably with this order as the companies that will bid for the work will undoubtedly have to see the specifications before making any bids. Not over 30 days will elapse from the time that bids are called for before they will be opened. Lieutenant Slattery hopes to be able to open the bids by July 1 and certainly not later than July 20. No bids are to be received at any place other than at the office of Lieutenant Slattery in the Young Building. The appropriation for the work is \$400,000, and the work consists entirely of deepening and enlarging the harbor of Honolulu.

## LADIES DAY AT PACIFIC CLUB

AN INTERESTING INNOVATION WHEN ALEX SCOTT'S PAINTINGS WILL BE ON EXHIBITION.

The Pacific Club has at last determined to take the plunge. It is going to have a "Ladies Day" this month. It was decided at the last annual meeting of the club that on two occasions each year the club should be thrown open to the fair sex, but the members of the club have been shivering on the brink in fearful anticipation of what such an innovation may bring forth. Now the managers have decided upon the matter and the date will probably be fixed towards the end of the month.

As a particular attraction on the coming Ladies Day, the paintings of Alex Scott will be on exhibition at the club. Mr. Scott is an English artist of repute who has been in Honolulu for some little time past and his work is of a nature which has attracted great attention among those who have been privileged to see it. He has been for some time in India, Australia and the South Seas and has apparently the faculty for finding beauty spots in places that no other artist has been privileged to reach. While here, too, the artist has done some powerful landscape work which has met with high praise. The exhibition of his paintings will unquestionably be an artistic treat.
